# Our 2025 Adjudicators

**Curtis Ledger** is a highly regarded choreographer, public speaker, and writer hailing from the beautiful city of Edmonton, Alberta.

Before his work adjudicating shows and competitions across Western Canada, Curtis produced his own award-winning choreography in hip hop and tap. As a rapper, Curtis has opened for pop stars Danny Fernandez and Girliscious.

His acting experience includes television, film, and stage. Perhaps most importantly, Curtis is regarded and recognized for his constructive advice for growing performers delivered in a profoundly uplifting and positive way.

**Laurie Cahoon-Alston's** career in dance has taken her around the world as a performer, adjudicator, award-winning choreographer, convention teacher, and instructor. She has been adjudicating events across Canada and the USA for 25 years. She has taught and trained in many genres of dance. Laurie is educated in RAD (Royal Academy of Dance), Alixa Flexibility, TDLI (The Dance Leadership Institute for Dance Adjudicator certification) and is also Acrobatic Arts certified.

Laurie holds her Advanced II certificate with the Royal Academy of Dance and performed professionally with Ballet North. Performances with Ballet North included a tour of Mainland China as a Principal dancer. Laurie also worked at length as a lead singer and dancer in Japan at Tokyo Disneyland, playing such fun-loving characters as Belle, Cinderella, and Sleeping Beauty. She has also enjoyed working in the Cruise-ship industry.

Industrial credits include Calvin Klein, Lancome, Tommy Hilfiger, the grand opening of Casino Niagara, and Club Firestone. Live performances and TV credits include Berenstain Bears Christmas Show with Paramount Pictures, Legends Alive, Chiropractic Association of Alberta, and Cool FM radio. Laurie has appeared as a guest singer on Day By Day and was co-choreographer of Dean Gunnarson's Halloween Special. She has enjoyed a range of artistic endeavors from voice over work, to singer, dancer, actor, and choreographer. Recently she had the pleasure of being choreographer and dancer in a commercial and advertisement for the Physiotherapy Association of Alberta, called "Born to Move" and "Laurie's Story" by Joe Media. A great honor was being invited to audition for Cirque du Soleil and be added to their bank of potential performers.

Laurie is currently teaching at the Edmonton School of Ballet in the daytime professional program and juggling being a mom of 3. Many of Laurie's past students are enjoying careers in dance and she couldn't be happier to see them share their love of the arts. She truly enjoys meeting and teaching young artists who continue to inspire her with their determination. Best of luck to all the inspiring performers at this event!
